BRUSHING ACTIVITY: 02.08.2024

"Taking care of your oral health is an investment in your overall health."

August 02, 2024, at Maharishi Vidya Mandir, Puducherry, our kindergarteners were engaged in 'the Brushing exercise activity' which helped them to enhance their understanding on dental health. The teachers let the students to experience the fundamental brushing techniques for a minimum of two minutes, which comprised of cleaning the top, bottom, right, and left areas of the mouth in a circular motion or thirty seconds every morning and evening. In order to facilitate the prevention of dental problems and bad breath, oral hygiene activities were thoughtfully incorporated into the teaching and learning process which also enhances their fine motor skills.

MOVIE TIME: : 02.08.2024

On August 2, 2024, Grade I students of Maharishi Vidya Mandir, Puducherry were gathered for movie time. The aim of the session was to provide the students with an enjoyable break from their regular scholastic routine. Age-appropriate movie selections were made which had lively characters and captivating storylines to ensure that the movie would be enjoyable which also lets students to explore life morals. The kids' excitement for their special movie-watching session was evident through their joyful reactions as they became engrossed in the movie. The students also had a great opportunity to build relationships with their friends as they experienced the thrill of the theatre together.

Morning Exercise Activity (KG, Grade I & II): 02.08.2024

"Physical ability is not the source of strength. It originates from an unwavering determination.

August 02n, 2024, at Maharishi Vidya Mandir, Puducherry our KG, Grade I and Grade II kick started their day with a fundamental skill-building exercise called "Morning wake up Exercise". One of the many activities that support emotional and physical well-being is exercise, especially in the morning. The session began with simple warm-up activities, like stretches and basic motions. These movements will help releas tightened muscles and increase blood flow. The whole event was joyfully relished by the students.

PAPER TEARING & PASTING ACTIVITY : 05.08.2024

On August 5, 2024, at Maharishi vidya mandir Puducherry our LKG students showcased their ingenuity with a creative paper tearing and pasting activity. Utilizing small pieces of paper, glue, and their imagination, they created incredible collages. They tore coloured paper into tiny pieces, which they then adhered to a large sheet to create a collage. The pupils learned about colours, textures, and patterns through this project. Their fine motor abilities will be enhanced by the tearing and pasting exercise. It encourages students to express themselves creatively. Additionally, it enhances the dexterity and hand-eye coordination of the children..

SHOW & TELL ACTIVITY : 06.08.2024

On August 6, 2024, at Maharishi vidya mandir Pondicherry, our kindergarten students enthusiastically engaged in a show-and-tell session with the theme "My Favourite Animal". With much enthusiasm, our young students discussed their favourite animals, demonstrating their creativity and communication abilities. The kids brought a variety of items, including plush toys and artwork. A wide variety of animals were on display, ranging from adorable dogs and kittens to magnificent lions and elephants. The purpose of the exercise was to help our kindergarteners develop their confidence, love for public speaking, and sense of community. Their willingness to impart knowledge and gain insights from one another was impressive.

PASSING THE BALL IN THE PAPER CUP ACTIVITY : 07.08.2024

On August 7, 2024, at maharishi vidya mandir, the UKG blooms took part in a paper cup ball passing activity. Young children engage in this popular activity by regularly passing a ball to one another while standing in a circle. The objectives of this exercise were coordination, synchronization, and motor abilities. The game began and continued until one of the two participants completed their turn or the game leader chose to end it. It is an engaging and entertaining approach for youngsters to socialize and engage with one another

FUN GAMES : 07.08.2024

On August 7, 2024, at Maharishi vidya mandir, Puducherry the Colourful butterflies of LKG had a great time playing plenty of fascinating games. The students were occupied with a variety of entertaining games and exercises. In addition to encouraging physical exercise, these activities improve social skills, creativity, and emotional intelligence. We're quite pleased of our kindergarteners' engagement and excitement!

TRAFFIC SIGNALS AND RULES ACTIVITY: : 08.08.2024

On August 8, 2024, at Maharishi vidya mandir, Puducherry, Our UKG kids participated in traffic signal and its norms activity which was embraced in a lively and captivating manner. In order to guarantee road safety and reduce accidents, traffic regulations are essential. Teaching these standards, though, can occasionally be difficult, particularly for young children. This activity helped our UKG students to realize the importance and understand the norms of how to stop and proceed in accordance with simulated traffic signals through the "Red Light, Green Light" activity. In addition to teaching the kids basic traffic laws, the activity helped them acquire important motor and cognitive abilities. These activities related to the hands-on approach promoted a positive outlook on traffic safety.

KAMARAJAR BIRTHDAY COMPETITION : 08.08.2024

On August 8, 2024, at Maharishi Vidya Mandir Puducherry the drawing competition winners were announced. The competition was held on July 15, 2024, in honour of Kamarajar's birthday. It was a thrilling occasion. The participants and winners were praised for their wonderful and passionate artwork, which gave the event a unique feel. Through their artistic expression, the participants honoured Kamarajar's legacy and demonstrated the amazing creativity within our community.

STORY TELLING: 08.08.2024

On August 8, 2024, at Maharishi Vidya Mandir, Puducherry we got the chance to present our LKG student's ability. We are happy to share this heartwarming talent, which showcases one of our young performers. Our Talented LKG student PRASHVITHA.D. recently brought the classic fable "The Crow and the Fox" to life with her fascinating storytelling skills. Her performance not only captivated the audience but also highlighted her exceptional originality and emotional storytelling abilities. A big round of applause for Prishvitha.D for her outstanding performance!

MAGIC BOX ACTIVITY : 09.08.2024

On August 9, 2024, at Maharishi vidya mandir, Puducherry, an engaging magic box activity was conducted for the students of KG to Grade 2. The KG blossoms activity began ceremoniously with the assembling of an imaginary box, which was then presented to the children. They were asked to visualize a hobby or pastime that they enjoy and that would fit into the container they use will to pursue. A STEM twist was added for the kids to design and build a magic box with a hidden mechanism or puzzle. It places an emphasis on creative expression and descriptive language. This game also promotes creativity and critical thinking while having fun! Students in Grades 1 and 2 participated in a magic box activity where they had to look inside a box full of different objects for 30 seconds. The task was to remember and enumerate as many items as they could when the allotted time ran out. The kids were engaged in a fun endeavour that kept them enthusiastic and concentrated in addition to testing their memory abilities. It was a fun filled activity and everyone had a chance to learn something new.

MEANS OF TRANSPORT ACTIVITY : 09.08.2024

on August 9, 2024. To help the pupils learn more about the various modes of transportation, a presentation was provided in class. Our UKG students enthusiastically engaged in a transportation-based activity at Maharishi Vidya Mandir Puducherry. On July 9, 2024, our UKG kids finished a transportation-related exercise in MAHARISHI VIDYA MANDIR, PUDUCHERRY.. The presentation that the UKG students gave in class on "Enlightening hearts and minds for the future" was centered around transportation. Children's natural curiosity is stimulated, creativity is encouraged, learning is made fun, and the development of ideas is supported through presentations. Together with us, the MAHARISHI VIDYA MANDIR pre-primary teachers assisted the UKG students with their transportation-related class presentation. It facilitated the children's understanding of transportation and its different forms.

SHOW AND TELL – MY FAVOURITE FRUIT : 13.08.2024

On August 13 2024, Our MVM KG students had a great time participating in the "Show and Tell" activity when they shared their favourite fruits! From luscious apples to sweet bananas, each child brought a different fruit and explained why it was their favorite. Colourful fruits, energetic presentations, and glowing smiles were all on display! In addition to developing communication skills and promoting a sense of community and sharing, this exercise intended to boost confidence and public speaking.

SPECIAL ASSEMBLY – INTRODUCING NOTABLE FREEDOM FIGHTERS : 13.08.2024

On August 13, 2024, a special assembly was conducted where our kindergarten students learned about India's valiant freedom heroes! A prayer hymn opened the gathering, and then there was a brief overview of freedom and the importance of India's independence. subsequently some of India's most well-known liberation fighters, including Mahakavi Bharathiyar and Rani Lakshmibai, were presented to our young students.

TRI COLOUR DAY – HAND ON ACTIVITY : 14.08.2024

On August 14, 2024, we planned a creative Palm Print project for our Grade 1 and 2 kids in honor of Tricolor Day. The kids eagerly painted their palms in vivid shades of saffron and green, then carefully adhered them to a card to create a lovely design of an Indian flag. A patriotic and endearing memento was created by mounting the flag on a popsicle stick. The pupils were able to show their patriotism through this practical exercise, which also encouraged creativity and cooperation. The kids were thrilled with the outcome and were quite proud of what they had done.

Tricolour Day – Colouring Competition: 14.08.2024

On August 14, 2024, our MVM Kindergarten students enthusiastically and creatively celebrated Tricolor Day! A quick introduction to the significance of the Indian National Flag and its colors kicked off the program. The national flag was then colored by our young artists, who took part in a coloring contest and displayed their artistic abilities. Their lively works demonstrated their excitement. Vibrant colors were abundant on the coloring pages. Some incredible renditions of the national flag were on display.

INVESTITURE CEREMONY AND INDEPENDENCE DAY CELEBRATION : 14.08.2024

On August 15th, an important turning point in our students' development as leaders and responsible adults was reached on August 15th, when MVM School staged its magnificent investiture ceremony. The event served as a dynamic demonstration of our students' devotion, commitment, and willingness to set an example. Our Chief Guest for the occasion, SAJAN N. MOHAN, was welcomed with great enthusiasm and patriotism. The event was even more memorable because of his presence. The national hymn, which reverberated with pride and solidarity, was sung after SAJAN N. MOHAN ceremoniously unfurled the flag to start the day. During his speech, SAJAN N. MOHAN discussed the importance of this day and reaffirmed the principles that our wonderful country upholds. Our gifted pupils celebrated India's rich history and spirit of independence with a range of cultural performances that included dances, songs, and skits. As a sign of their commitment to upholding our school's ideals and culture, our recently elected student council members were solemnly invested with their badges and sashes. They swore to serve their peers honourably, modestly, and with honesty. Additionally, our principal, Mr. Jayaganapathy, gave a motivational speech in which he urged everyone to make constructive contributions to the advancement of our country. The occasion served as both a reminder of the innumerable people who gave their lives in defense of our country and a genuine celebration of our freedom. With a reinvigorated sense of patriotism and a resolve to strive for a better future, we departed the event.

RAKSHA BANDHAN : 14.08.2024

On August 19 2024, our time blossoms from Kindergarten to Grade 2 joined us in celebrating the wonderful celebration of Raksha Bandhan on August 19, 2024. The significance of this unique day, which represents the love and protective relationship between siblings, was explained to our MVM young learners. The little kids enthusiastically took part in the occasion, grinning broadly as they tied Rakhi to one another. The ritual was filled with love and affection as the youngsters embraced the heart of the event, building a sense of solidarity and care among them. In addition to highlighting Raksha Bandhan's cultural significance, this event helped the young people develop the principles of respect and love.

KRISHNA JAYANTHI CELEBRATION : 26.08.2024

On August 26 2024, We had a joyful and heavenly celebration of Krishna Jayanthi at MVM. We came together to celebrate the birth of Lord Krishna, and our hearts were filled with devotion and our spirits were raised. Beautiful Bhajans, lively décor, and a lively performance of Krishna's leelas were all part of the celebration. They carried out the customs with a great deal of respect.

MEDICAL CAMP BY MEDSHINE : 28.08.2024

On August 28 2024, the Med Shine medical checkup event at MVM was a huge success. We sincerely appreciate the participation and contributions of all the teachers and students who helped make this significant project a success. Let's hope the school community becomes healthier and more active!

NO BAG DAY – FIELD TRIP TO AZHAGAR TEMPLE AND MOVIE TIME : 29.08.2024

Our MVM kindergarten students celebrated an enjoyable No Bag Day on August 29, 2024. We kept the luggage out of the way and concentrated on having fun and learning. We visited the stunning Azhagar Temple with our young children. They took in the tranquil surroundings and discovered the significance of temples. Following their visit to the shrine, the students watched an enjoyable and value-based movie in their class. Our KG blooms enjoyed the movie time with their teachers and friends.

Fun Game Musical chair : 02.09.2024

Our MVM children engaged in a fun game called musical chairs, which promotes gross motor skills as they walk or dance around the chair. As the game progresses and chairs are removed, children must make quick decisions on which chair to target. They learn to adapt to changing situations, assess their options, and make strategic choices in a limited time frame.

Show and Tell Activity- My Favorite Colour : 02.09.2024

Our kindergarteners brought an object and talked about their colour preference. This practice improves their personality, creativity, and communication ability.

Teachers' Day Celebration 5th September, 2024

Teachers Day on September 5 is not only a celebration of Dr. Sarvepalli Radhakrishnan's birth anniversary but it also honours teacher's dedication and hard work. Teachers' day is a much awaited event in the annals of every school. It opens a forum for students to express their love and gratitude for their beloved teachers. The zest amongst the students to celebrate this day was by itself a reward. The senior children got an opportunity to impersonate their teachers and host a Program. Teachers gathered in the School Auditorium for a special program by classes 09 & 11. The event featured a unique instrumental fusion, a heartfelt conversation on the role of teachers, a musical medley, and a dance performance celebrating Teachers.

Vinayagar Chaturthi Celebration : 05-09.2024

MVM celebrated Ganesh Chaturthi with great devotion and enthusiasm, highlighting the school's commitment to imparting cultural values to its students. The event was marked by a grand procession featuring a beautifully adorned idol of Lord Ganesha, carried through the school premises by the students. The air was filled with joy, devotion, and chants of "Ganpati Bappa Morya," as everyone sought blessings for wisdom, prosperity, and the removal of obstacles.

Colouring Competition Winners : 10.09.2024

Certificates were given to the winners of the colouring competition by our MVM Principal.

Onam Celebration (KG-X) : 13-09-2024

MVM celebrated the festival of Onam with great enthusiasm on Saturday. Inter house Rangoli competition was conducted for the house students. The school auditorium was adorned with flower rangoli, which became the focal point of the celebration.

Orange Day Celebration : 20.09.2024

The tiny tots of MVM celebrated Orange Day on 20th September, 2024. The classroom were beautifully decorated with orange colour art and craft activities were conducted.

Pot Luck : 23.09.2024

The potluck lunch organized for teachers at our school was a delightful occasion that brought together teachers for a day filled with delicious food, laughter, and companionship. This gathering not only highlighted the diverse backgrounds within our community but also nurtured a strong sense of unity and belonging.

NAVARATHIRI Celebration : 10.10.2024

Welcome Navaratri with open hearts and devotion.
Nine nights of celebration, worship, and joy as we honor Goddess Durga.
Let's dance with the rhythm of Garba, spread love, and seek divine blessings.
May this festival bring peace, prosperity, and strength into our lives.
On this sacred journey, let's purify our hearts and minds.
Together, let's celebrate unity, tradition, and the power of femininity.
Offer your prayers, fast with devotion, and share festive joy.

New Beginnings Vijayadasami : 14.12.2024

Our Path to Admission to Maharshi Vidya Mandir in Puducherry for
Vijayadasami.

MVM SCIENCE EXHIBITION : 21.10.2024

We are thrilled to present our Science Exhibition, which showcased the innovative ideas and scientific discoveries of our gifted pupils! Reading and writing skills are only one aspect of education; the full developmental process is included. Scientific exhibits are a great method to get students interested in learning new facts and discoveries in our technologically advanced and fast-paced society. MVM hosted a science expo on October 21, 2024, where students showcased both static and functional models that may be used to instruct pupils on a range of scientific subjects. were some of the models the students had created to illustrate their subjects. There were also a lot of intriguing innovations on display. Teachers showed initiative by pushing pupils to produce such a lovely and educational.

Pink Day : 25.10.2024

Pink Day at MVM KG was a huge success! Through entertaining games, imaginative scrapbooks, and enjoyable activities, our little ones had a great time discovering the colour pink. They contributed two lines about their favourite pink toys and items and made lovely pink scrapbooks .

The Happy Classroom : 26.10.2024

The Happy Classroom (CBSE Teacher Training Program) is being held at Maharshi Vidya Mandir in Puducherry from 2024 to 2025.

Diwali Celebration : 29.10.2024

The excitement of the festival of lights illuminated our MVM children's faces as they joyfully celebrated Diwali.

'Diwali' is a term that describes rows of lamps. It's a light festival, and people like it. A house full of diyas, a heart full of delight, mouthfuls of sweets, and pleasant memories are all part of the celebration of Diwali! MVM students enthusiastically and fervently celebrated Diwali. The children's lovely rendition of the Diwali song added to the joyous ambiance. The celebrations were made more colourful by an eye-catching dance performance.

Shapes Identification Jumping Activity- 08.11.2024

On November 8th 2024, our kindergarteners enthusiastically took part in an entertaining and captivating activity at Maharishi Vidya Mandir on November 8, 2024. The pupils were told to cover the floor mat with stickers and shapes. The children were instructed to jump on the matching form after calling out the name. They were able to recognize and identify fundamental forms with this activity.

ACTION WORDS ACTIVITY- 09.11.2024

On November 9, 2024, children's use of action words makes it easier for everyone to understand what they have done or are doing. It also aids in the development of a strong vocabulary. Action words provide children a strong focus by helping them define their goal. For kindergarteners, these easy, entertaining games encourage learning as well as enjoyment.

Fruits and Vegetables Activity- 09.11.2024

On November 9, 2024, Our MVM UKG – B had a great time learning about fruits and vegetables using vibrant flashcards. We discovered the fascinating world of apples, bananas, carrots, and broccoli! The children formed positive relationships and found new favourites.

Letter Learning Adventure- 11.11.2024

Our MVM's LKG children were honing their writing skills on November 11, 2024. They worked on their alphabet writing skills. This achievement shows how far they have come in their grasp of letter forms and handwriting techniques. This improves their hand-eye coordination, helps them recognize and sequence alphabets, and helps them develop fine motor skills through writing.

SHOW AND TELL (STATES AND CAPITAL): - 12.11.2024

On November 12th 2024, our MVM KG Kids eagerly took part in the Show and Tell on States and Capitals on November 12, 2024. They gained incredible understanding from it. By recognizing Indian States and Capitals, the students showcased their remarkable geographic abilities during this exercise. They learned the fundamentals of geography and researched the capital of each state.

Coloured Rice Activity- 20.11.2024

On November 20th 2024 our Pre-KG students created vibrant rice art in their scrapbooks. Through the manipulation of rice, this activity specifically improves their creativity and self-expression while also developing their fine motor abilities. Using textured rice, the kids engaged in sensory play that stimulated their creativity and imagination.

Colours Ring Activity- 20.11.2024

On November 20th 2024 our Pre-KG students created vibrant rice art in their scrapbooks. Through the manipulation of rice, this activity specifically improves their creativity and self-expression while also developing their fine motor abilities. Using textured rice, the kids engaged in sensory play that stimulated their creativity and imagination.

Colour sorting – Fun Ball activity : - 23.11.2024

On November 23 2024, our young learners participated in a Colour Sorting Fun Ball exercise on November 23, 2024, at Maharishi Vidya Mandir. The child's cognitive development, fine motor abilities, and colour identification are all enhanced by this sorting ball game. It promotes critical thinking and problem solving, offers a lot of enjoyment and play-based learning, aids in colour recognition, and enhances fine motor abilities (placing, pinching, and grasping). For young learners, this activity is straightforward but incredibly powerful. It's an excellent method for your child to feel pleased of their newly acquired abilities.

"GROW, NURTURE, THRIVE."

Planting trees is essential for a healthier environment, providing oxygen, reducing carbon, and supporting wildlife. It helps combat climate change and improves the quality of life.
