MVM SCHOOL CHRONICLE

“LEARNING NEVER STOPS WHEN LEADERS BECOME TEACHERS.”

PRINCIPAL’S MESSAGE

Dear Students, Parents, and Staff,

Welcome to this edition of our school newsletter. Every new day brings new opportunities to learn, grow, and achieve. At our school, we are committed to providing a learning environment that inspires curiosity, creativity, and confidence in every student.

Education is more than academic success. It is about developing good character, respect for others, discipline, and a lifelong love of learning. I encourage all students to participate actively in classroom activities, sports, cultural events, and community service, as these experiences help shape responsible and capable individuals.

I sincerely appreciate the dedication of our teachers, the support of our parents, and the enthusiasm of our students. Together, we continue to build a school community where everyone feels valued, encouraged, and motivated to reach their full potential.

Let us continue to work together with determination, kindness, and a positive attitude to make this academic year successful and memorable.

Wishing everyone continued success and happiness in learning.

With best wishes,

JAYAGANAPATHY. E
PRINCIPAL

PARENT ORIENTATION PROGRAM

BUILDING STRONG PARTNERSHIPS FOR STUDENT SUCCESS

MVM School successfully organised an extensive Parent Orientation Programme, welcoming parents into a collaborative educational journey. The programme served as an important platform to introduce families to the school's vision, educational philosophy, innovative teaching practices, and student-centred initiatives, while reinforcing the indispensable role parents play in shaping their children's future.

Delivering the inaugural address, our Principal, Mr. A. O. Sir, warmly welcomed the parents and emphasised that a child's success extends beyond classroom instruction. Stressing the importance of mutual trust, continuous communication, and shared responsibility, the principal encouraged parents to become active partners in their children's educational journey.

The orientation also showcased the launch of the school's **NEET and JEE Foundation Programme**, designed to prepare students for competitive examinations through systematic and concept-oriented learning. Parents were introduced to the programme's curriculum, expert faculty, regular assessments, personalised mentoring, and analytical approach to learning.

At our school, education is a journey that extends beyond classrooms and textbooks. We are committed to providing a balanced learning experience where academic excellence is complemented by creativity, leadership, physical well-being, and character development. Every child is encouraged to explore their interests, develop new skills, and grow into a confident, responsible, and compassionate individual.

NEW MVM SCHOOL MOBILE APP

We are delighted to launch the new **MVM School Mobile App**, making communication between the school and parents faster, easier, and more convenient.

With the new app, parents and students can:

- Receive instant school announcements and notifications
- Track attendance
- Access homework and assignments
- View examination schedules and results
- Stay updated on school events and activities
- Communicate efficiently with the school

We encourage all parents to download the app and stay connected with their child's learning journey. The app is designed to strengthen communication, improve accessibility, and keep families informed about important school updates and activities

A JOYFUL FIRST DAY AT SCHOOL!

The MVM School campus witnessed a remarkable beginning as a new batch of kindergarten students stepped into the first chapter of their formal education. The first day of school was filled with excitement, curiosity, and new opportunities as the little learners entered the colourful world of classrooms, friendships, and discovery.

The arrival of the KG students created a vibrant atmosphere across the campus, with teachers and staff warmly welcoming the newest members of the MVM family. The school community viewed this milestone as an important investment in the future, where every child's creativity, confidence, and character will be carefully nurtured.

Teachers introduced the students to their new learning environment through engaging activities, interactive sessions, and joyful classroom experiences, helping them feel comfortable, confident, and excited about their journey of learning.

MVM KIDS EXPERIENCE THE WORLD OF NEWS THROUGH NEWSPAPER ACTIVITY

The activity, organised as part of the school's experiential learning programme, encouraged students to explore the many possibilities of newspapers beyond reading. The children used their imagination to create models, crafts, displays, and learning materials while developing their artistic skills and creative thinking.

The young participants actively worked in teams, sharing ideas and presenting their creations with enthusiasm. The project also helped enhance their observation skills, coordination, teamwork, and appreciation for creative expression.

PATTERN MATCHING ACTIVITY

Our kids had a wonderful time participating in the pattern-matching activity.

This fun and engaging activity helped them develop their observation, concentration, and critical-thinking skills. We were delighted to see their active participation, enthusiasm, and joyful smiles throughout the activity.

SHOW AND TELL COMPETITION

Little Presenters, Lasting Impressions: MVM Kindergarten Students Celebrate the Joy of Expression

The stage belonged to the youngest members of the MVM School community as Kindergarten students confidently stepped forward for the Show and Tell Competition, an engaging learning experience that celebrated creativity, curiosity, and the power of young voices.

With bright smiles and eager expressions, the students introduced their favourite objects and shared personal stories connected to them. Each child brought a unique perspective to the event, transforming simple objects into meaningful stories filled with imagination and enthusiasm.

The goal is not just to speak on stage, but to help children discover their own voices and believe in their abilities. Through such engaging experiences, students develop confidence, communication skills, and the courage to express themselves.

INTERNATIONAL YOGA DAY

Breathing Together, Growing Together

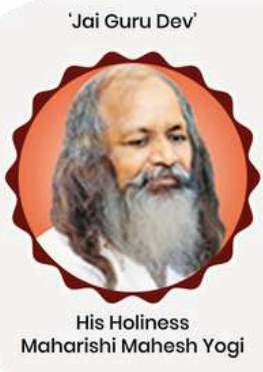

"Yoga is the journey of the self, through the self, to the self."

The goal is not just to speak on stage, but to help children discover their own voices and believe in their abilities. Through such engaging experiences, students develop confidence, communication skills, and the courage to express themselves.

"Embracing Wellness, One Breath at a Time"

- Students enthusiastically practised yoga asanas during the International Yoga Day celebration.
- A moment of mindfulness as students participated in guided meditation and breathing exercises.
- Promoting health, harmony, and holistic well-being through the practice of yoga.

Our school enthusiastically celebrated **International Yoga Day** with great energy and participation, promoting the importance of physical health, mental well-being, and inner harmony. The event brought together students, teachers, and staff to embrace the timeless practice of yoga and experience its many benefits.

The celebration began with a brief introduction to the significance of International Yoga Day and this year's theme, highlighting how yoga fosters a healthy body, a calm mind, and a balanced lifestyle. Students learned that yoga is more than just physical exercise—it is a way of cultivating discipline, mindfulness, resilience, and overall well-being

The session also included the practice of **Pranayama**, allowing students to experience the calming effects of conscious breathing. Slow, rhythmic breathing helped participants relax, improve their focus, and appreciate the connection between breath and emotional well-being.

INTERNATIONAL FATHER'S DAY

Celebrating the Heroes in Our Lives: A Joyful Father's Day

Our school joyfully celebrated International Father's Day with great enthusiasm and warmth, creating unforgettable memories for our young learners and their fathers. Students from Kindergarten to Grade 2 expressed their love, gratitude, and admiration through a variety of fun-filled activities specially planned for the occasion.

The children presented handmade cards and thoughtful gifts to their fathers as tokens of love and gratitude. The smiles, hugs, and cherished moments shared throughout the celebration reflected the invaluable role fathers play in nurturing, guiding, and inspiring their children.

The celebration was a beautiful reminder that a father's love, support, and encouragement leave a lasting impact on a child's journey of growth and learning.

RED DAY CELEBRATION: A SPLASH OF LOVE, ENERGY, AND HAPPINESS!

“Red is the colour of love, energy, confidence, and happiness!”

Our little LKG tots of **Maharishi Vidya Mandir, Puducherry**, had a joyful and **colourful Red Day Celebration**, filled with excitement, creativity, and fun.

The celebration was designed to help our little learners recognise the colour red while developing their observation skills through fun-filled, hands-on experiences.

Dressed in beautiful shades of red, the children looked cheerful and confident as they arrived at school carrying a variety of red objects. The classrooms were beautifully decorated with red balloons, streamers, flowers, and creative displays, creating a lively and festive atmosphere.

BLUE DAY CELEBRATION : A WORLD OF CALMNESS, CONFIDENCE, AND IMAGINATIO

“Blue is the colour of the sky and the sea, inspiring calmness, confidence, and imagination.”

Our Kindergarten students celebrated **Blue Day** with great excitement and enthusiasm, making the campus come alive with beautiful shades of blue. The celebration was thoughtfully planned to help our little learners recognise and appreciate the colour blue through joyful, hands-on learning experiences.

The children arrived dressed in lovely blue outfits, carrying a variety of blue objects that added to the vibrant atmosphere. The classrooms were beautifully decorated with blue balloons, streamers, clouds, raindrops, ocean-themed displays, and creative artwork, creating a cheerful and engaging learning environment.

Through this colourful celebration, the children explored the world around them, strengthened their colour-recognition skills, and enjoyed learning through play and creativity.

“Learning is colourful when curiosity leads the way.”

KAMARAJ BIRTH DAY CELEBRATION

MVM School Commemorates the Birth Anniversary of K. Kamaraj

MVM School marked the birth anniversary of K. Kamaraj with a special celebration that highlighted the life, achievements, and enduring values of one of India's most respected leaders.

The programme, organised on the school campus, witnessed enthusiastic participation from students who delivered speeches, shared important milestones from Kamaraj's life, and reflected on his remarkable contributions to education and social development. Students also spoke about the importance of following his values of discipline, humility, and responsibility in their everyday lives.

SCHOOL ELECTION

Empowering Young Voices: MVM School Student Council Election

Long before the first lesson began, students gathered with a sense of anticipation that extended beyond the classroom. Instead of preparing for examinations or assemblies, they were preparing to cast their votes in the school's annual **Student Council Election**—an exercise designed to cultivate democratic values and responsible leadership.

Across the campus, polling booths were arranged with the precision of a civic election. Election officials, supervised by teachers, guided students through the voting process while ensuring fairness, confidentiality, and order. Voter lists were verified, and every ballot was cast in secret, reinforcing one of democracy's most fundamental principles: **every vote matters**.

The election provided students with a valuable opportunity to experience the democratic process firsthand, while developing a deeper understanding of civic responsibility, leadership, and active participation.

As the newly elected council prepares to assume office, the election leaves behind a lasting message: **democracy is strengthened when every voice is heard, every vote is respected, and every leader remembers that true leadership begins with service.**

NEWS LETTER APRIL - JULY

In a world that changes with remarkable speed, some things remain beautifully constant.

A grandparent's blessing.

A teacher's encouragement.

A child's curiosity.

Guru Purnima reminds us that education is measured not only by what we know but also by the values we carry forward. The greatest teachers leave behind more than knowledge—they leave a lasting legacy.

At **MVM School**, our little learners from kindergarten to Grade 2 celebrated Guru Purnima with joyful hearts and grateful smiles.

We learned that a Guru is someone who teaches us, cares for us, and helps us grow. Our teachers guide us every day at school, while our grandparents fill our hearts with love, stories, prayers, and blessings.

On this special occasion, many of our dear grandparents performed the sacred **Paatha Abhishekam**, praying for the happiness, health, and well-being of the entire family. We are grateful to them for teaching us the importance of faith, kindness, love, and devotion.

FRIENDSHIP DAY – JOY OF TOGETHERNESS

Friendship filled the air with laughter, smiles, and warmth as our Kindergarten students celebrated **Friendship Day** with great enthusiasm and joy. The celebration gave our little learners a wonderful opportunity to understand the meaning of friendship, kindness, sharing, and caring for one another.

The children exchanged colourful **friendship bands** with their friends, tying each band as a special symbol of love, togetherness, and everlasting friendship. With cheerful smiles and excited hearts, they celebrated the beautiful bonds they share with their classmates.

Through this simple yet meaningful activity, the children learned that a good friend is someone who cares, shares, helps, and makes others feel happy and valued. The celebration created precious memories and reminded everyone that **friendship makes every school day brighter and happier.**

PTM – 1: STRENGTHENING THE BOND BETWEEN

STRENGTHENING THE BOND BETWEEN

MVM School successfully conducted **Parent-Teacher Meeting – 1 (PTM–1)** for students from **Kindergarten to Grade XII**, providing a meaningful platform for parents and teachers to come together and discuss the academic and overall development of students.

The meeting offered an opportunity for parents to interact with teachers, understand their child's learning progress, and receive valuable feedback on academic performance, classroom participation, behaviour, and areas for further improvement. Teachers also shared suggestions to support students' learning and development at home.

The PTM witnessed active participation from parents, reflecting their continued commitment and involvement in their children's education. The constructive interaction between parents and teachers strengthened the partnership between home and school.

At MVM School, we believe that **when parents and teachers work together, children receive the support and encouragement they need to learn, grow, and succeed.**

“Together, we nurture today’s learners and shape tomorrow’s leaders.”

EYE SCREENING CAMP: CARING FOR YOUNG EYES

MVM School organised an **Eye Screening Camp on 4 August 2026** in collaboration with **Aravind Eye Hospital**, with the aim of promoting eye health and early detection of vision-related concerns among students.

The screening was conducted by a team of eye-care professionals who examined the students' vision and provided guidance on maintaining healthy eyes. The camp helped create awareness among students about the importance of regular eye check-ups, proper eye care, and healthy habits for maintaining good vision.

The initiative reflected the school's commitment to the **health, safety, and overall well-being of its students**, ensuring that their physical well-being receives the same attention as their academic growth.

MAGIC BOX ACTIVITY: LEARNING THROUGH WONDER AND IMAGINATION

Our Kindergarten students stepped into a world of **wonder, curiosity, and imagination** through the exciting Magic Box Activity. The engaging activity transformed learning into a playful experience, encouraging children to explore, observe, guess, and express their ideas with confidence.

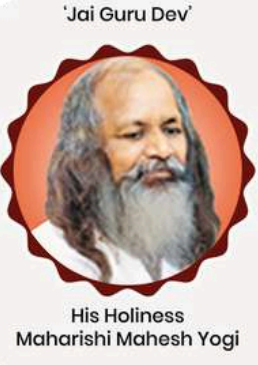

The little learners enthusiastically interacted with the mystery box, using clues and their senses to identify hidden objects. Their excitement and curiosity made the activity both entertaining and educational.

The Magic Box Activity helped develop important early-learning skills such as observation, sensory awareness, vocabulary, communication, logical thinking, and confidence. It also encouraged children to think creatively and express their thoughts freely.

The activity created many moments of surprise, laughter, and joyful learning, reminding us that curiosity is the beginning of every great discovery.

80TH INDEPENDENCE DAY CELEBRATION: CELEBRATING THE SPIRIT OF FREEDOM

MVM School celebrated the **80th Independence Day** of India with great pride, enthusiasm, and patriotic spirit. The celebration brought together students, teachers, and staff to honour the nation's freedom and remember the sacrifices of the great leaders and freedom fighters who shaped India's journey.

The programme featured a range of patriotic activities and cultural presentations that reflected the rich heritage, unity, and diversity of our nation. Students participated enthusiastically in speeches, songs, dances, and other performances, filling the campus with the spirit of patriotism.

The celebrations also provided an opportunity for students to reflect on the responsibilities that come with freedom and the importance of contributing positively to the nation. The young learners were encouraged to uphold the values of **unity, discipline, responsibility, respect, and service**.

The campus echoed with patriotic spirit as students proudly celebrated the nation and expressed their hopes and dreams for a stronger, peaceful, and progressive India.

FIRST AID TRAINING WORKSHOP FOR TEACHERS

MVM School organised a **First Aid Training Workshop for Teachers on 21 August 2026**, in association with **Vinayaka Mission Superspeciality Hospital, Puducherry**. The programme aimed to equip teachers with essential knowledge and practical skills to respond confidently and appropriately to medical emergencies that may arise in a school environment.

The training covered important first-aid procedures, emergency response techniques, basic safety measures, and appropriate steps to be taken during common medical situations. The interactive session provided teachers with practical guidance and helped strengthen their preparedness to handle emergencies effectively.

The workshop highlighted the importance of having trained and confident staff members who can provide timely assistance while ensuring the safety and well-being of students.

The initiative reflects MVM School's continued commitment to creating a **safe, prepared, and supportive learning environment** for every student.

DENTAL CHECK-UP CAMP: PROMOTING HEALTHY SMILES

Bright smiles and healthy habits took centre stage at MVM School as students from Kindergarten to Grade II participated in a Dental Check-Up Camp on 24 August 2026. The camp was conducted in association with Sri Venkateswara Dental, with the aim of promoting awareness about oral hygiene and the importance of regular dental care

A team of dental professionals conducted routine dental examinations and guided the children on maintaining healthy teeth and gums. Students were introduced to simple yet essential practices such as brushing their teeth correctly, maintaining oral hygiene, and making healthy food choices.

The interactive session helped young learners understand that taking care of their teeth is an important part of maintaining overall health. The children participated with curiosity and enthusiasm, making the experience both informative and engaging.

The initiative reflected the school's commitment to nurturing healthy habits and supporting the **overall health and well-being of its young learners.**

“Healthy habits today create confident smiles tomorrow.”

EDUCATIONAL TOUR TO THANJAVUR: LEARNING BEYOND THE CLASSROOM

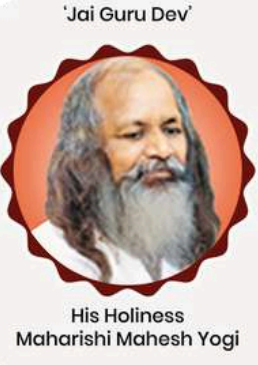

History, culture, and discovery came together as students from Grades III to VI embarked on an educational tour to Thanjavur on 28 August 2026.

The tour provided students with an opportunity to explore the rich historical and cultural heritage of Thanjavur while connecting their classroom learning with real-world experiences. Through visits to significant heritage sites and places of cultural importance, students gained a deeper understanding of the region's history, architecture, art, and traditions.

The experience encouraged students to observe, ask questions, and learn through direct exploration. Travelling together also helped them develop **teamwork, discipline, responsibility, communication, and social skills.**

Guided by their teachers, the students enthusiastically participated in the tour, making the journey both educational and enjoyable. The experience created lasting memories while reinforcing the idea that meaningful learning can take place far beyond the walls of a classroom.

“Explore the past, experience the present, and learn for the future.”

TEACHERS' DAY CELEBRATION: HONOURING THE GUIDING LIGHTS

Gratitude and appreciation took centre stage at MVM School on 5 September 2026 as students came together to celebrate Teachers' Day and honour the dedicated educators who guide, inspire, and nurture them every day.

The celebration was filled with heartfelt wishes, cheerful performances, and memorable moments. Students expressed their appreciation for their teachers through speeches, songs, dances, cards, and other thoughtful presentations, creating a warm and joyful atmosphere across the campus.

The occasion also highlighted the meaningful role teachers play in shaping not only students' academic journeys but also their values, confidence, character, and aspirations. The celebrations reflected the strong bond of respect and affection shared between students and teachers.

The day served as a heartfelt reminder that behind every confident learner is a teacher who encourages them to learn, grow, and believe in themselves.

“A great teacher inspires, guides, and leaves a lasting mark on every young mind.”

HAEMOGLOBIN SCREENING CAMP: PROMOTING HEALTH AND WELL-BEING

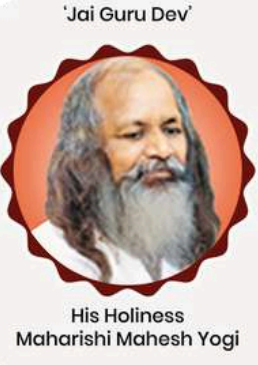

Health awareness took centre stage at MVM School on 7 September 2026 as a Haemoglobin (HB) Screening Camp was organised to promote early health monitoring and well-being among students.

The screening provided an opportunity for students to undergo a basic haemoglobin check under appropriate medical supervision. The initiative helped create awareness about the importance of maintaining healthy haemoglobin levels and following nutritious dietary habits.

Students were guided on the importance of a **balanced diet, adequate nutrition, personal health, and regular health check-ups**. The camp also reinforced the value of early screening as part of responsible health care.

Through such initiatives, MVM School continues to encourage students to develop healthy habits and understand the importance of taking care of their physical well-being.

“Healthy children, healthy habits, and a healthier future.”

YELLOW SHOPPING FEAST: A COLOURFUL LEARNING EXPERIENCE

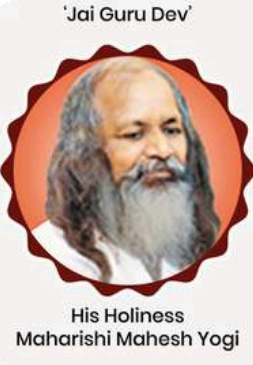

The campus turned into a cheerful little marketplace on 11 September 2026 as our Kindergarten children hosted the vibrant “Yellow Shopping Feast,” giving students a delightful opportunity to experience the joy of shopping through play and hands-on learning.

The KG children enthusiastically took on the roles of young shopkeepers, helping organise and manage the colourful shopping stalls. Students from all classes participated with great excitement, exploring the stalls, selecting their favourite items, and enjoying a fun-filled shopping experience.

The activity went beyond entertainment, providing children with valuable opportunities to develop communication, social interaction, decision-making, counting, and basic money-management skills in a playful environment. It also encouraged confidence, teamwork, and responsibility among the young organisers.

The colourful celebration brought together students from across the school, creating an atmosphere filled with laughter, enthusiasm, and joyful learning.

“Shop, smile, learn, and enjoy—the best lessons are sometimes learned through experience!”
